Mr. Bob DeBoer  
654 Central Turnpike  
Sutton, MA 01590 Dear Mr. DeBoer:

It was a pleasure meeting you, your wife and Mr. & Mrs. Weinberg this afternoon. I hope that you enjoyed the rest your day at the State House and want to again commend you and the entire Myasthenia Gravis Foundation for your efforts on behalf of those affected by MG.

To help further the promotion of June as Myasthenia Gravis Awareness Month, I have forwarded the enclosed letter to the Massachusetts Medical Society. This is the professional organization to which many of the doctors in Massachusetts belong. They are uniquely suited to increase awareness of MG with both the general public and with those who must diagnosis the disease and hope that they can become a power ally in advancing your mission.

Again, it truly was a pleasure meeting you this afternoon. Your commitment to those affected by MG and, judging from our conversation, to the entire town of Sutton, is quite impressive. Should you ever need any other assistance whether with the foundation or any of your other activities, please do not hesitate to contact me.

Sincerely,

**RICHARD T. MOORE**  
State Senator  
Worcester & Norfolk District

P.S. I shared the honey you gave me with my wife Joanne. It was a delicious treat for us both. Thank you.
